

# Dedication to our clients

Our only job is to help you, our client.

To listen to you. To understand and  
meet your needs. To your complete  
satisfaction. Everytime. All the time.

Our team will create the fragrance equivalent of every figment of your imagination. Our sophisticated laboratory, including our new top-of-the-line Hewlett-Packard GC and GC/MS instrumentation, lets us analyze and match anything you may have in mind. And provides the professional laboratory testing that guarantees you consistently flawless and first class products.

we *Have an unmatched passion for  
excellence combined  
with ambitious  
Creativity*

# Responsive to clients

Premier Specialties, the new name in advanced fragrance technology.

Our clients' total satisfaction with our impeccable service and matchless products is our *raison d'être*.

We respond to your challenges and demands. We are there for you when you need us. We deliver. We care.

## Innovation and quality

We are a fairly young, dynamic and ambitious company. Yet our founders, managers, perfumers and technical staff all have many years of knowledge and experience in this field, mostly in key positions with the major international players in the fragrance and flavor industry.

Our team will create the equivalent of every figment of your fragrance imagination. Our sophisticated laboratory, including our new top-of-the-line Hewlett-Packard GC and GC/MS instrumentation, lets us analyze and match anything you may have in mind. and provides the professional laboratory testing that guarantees you consistently flawless and first class products.

## Inspired science

The heartbeat of Premier Specialties is our team of perfumers. They have an unmatched passion for excellence combined with ambitious creativity. The result is the kind of inspired fragrance that fits your specific needs and your exacting standards. Watch us return your ideas into a winning fragrance for your product.

## A wide range of applications

Your project may be a high-class perfume; or just an average cologne; maybe a new brand of soap, an improved detergent or cleaner, an air freshener, cosmetics or a personal care product. Whatever your need, it's our priority to provide the perfect fragrance

## Thorough testing

All Premier fragrances are of unsurpassed quality, being painstakingly tested for performance and stability, as well as for compatibility and cost-efficiency. We make sure that all our products comply with the IFRA guidelines and the EEC Cosmetics Directive.

## When time is of the essence

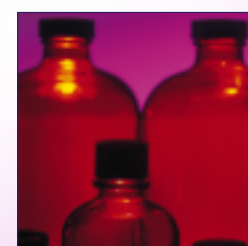

Well-organized production, stringent inventory control and efficient shipping

facilities ensure your need for short turn-around time. Our extensive library of ready-to-go quality fragrances will help you to cut time and cost even further.

## Pro-active partners

Our team is always on top of trends in the fashion world as well as in consumer products. Ask us what's hot. Ask us what's out. We will be glad to review your current product lines to determine to what extent Premier fragrances can enhance and extend your market reach. We enjoy a close relationship with many clients who tell us that this kind of partnership has resulted in added value and in an improved position in the marketplace.

## Dedicated to individualized service

Our only job is to help you, our client. To listen to you. To understand and meet your needs. To do so in a timely fashion and at reasonable cost. To your complete satisfaction. Everytime. All the time.
