## TUCUMA BUTTER

### PRODUCT NAME

PREMIER TUCUMA  
BUTTER

### APPLICATION(S)

skin care  
hair and scalp  
sun protection  
anti-aging  
balms  
soaps

### COMPOSITION (INCI)

Astrocaryum  
tucuma Seed Butter

### ORIGIN

Plant

### CAS NUMBERS

### USE LEVEL

0.5-100%

### SOLUBILITY

Oil

### PRODUCT CODE

Premier #445340

### PREMIER TUCUMA BUTTER

Premier Tucuma Butter is obtained from the fruit seeds of the Brazilian Amazon tree, *Astrocaryum tucuma*. This light colored butter has a characteristic odor and behavior similar to Murumuru butter.

### WHY PREMIER TUCUMA BUTTER?

Rich in polyphenols and carotenoids, Tucuma Butter helps combat free radicals and offers antioxidant activity to protect hair and skin from environmental aggressors such as pollution and UV/sunlight.

Tucuma Butter revitalizes stressed or damaged hair by imparting shine, hydration, and conditioning properties. Because it contains high levels of Lauric, Myristic and Oleic fatty acids, it is effective as a skin softener, delivering true healing and restructuring benefits to the skin as it moisturizes and restores softness and elasticity. In addition, Tucuma provides a luxurious, lubricious skin feel. It melts immediately on contact with the skin, exhibiting excellent lubricity and a smooth afterfeel while its fatty acid content helps improve emulsion stability.

This rich, hydrating butter can be used alone or formulated into body massage butters, soaps, creams, lotions, and conditioners.

### ACTIVITY OF PREMIER TUCUMA BUTTER

- ◆ Highly emollient
- ◆ Anti-Aging
- ◆ Protective
- ◆ Conditioning
- ◆ Shine enhancing
- ◆ Antioxidant
- ◆ Revitalizing
- ◆ Moisturizing
- ◆ Nourishing
- ◆ Restructuring

### TYPICAL PROPERTIES

Appearance	White-Yellow solid fat
Odor	Characteristic
Melting Range	28 – 36°C
Iodine Value (Wijs)	10 - 16
Saponification Value	225 - 250
Acid Value	3.0% max
